New Delhi, India | +91-8791666920 | prakashhardik06@gmail.com | linkedin.com/in/hardik-prakash

## PROFESSIONAL SUMMARY

Front-End Engineer specializing in React.js, JavaScript (ES6+), HTML5, and CSS3. Built scalable, responsive web applications with real-time search and reservation workflows using RESTful APIs. Improved application performance by 30%+ through code refactoring, lazy loading, and optimized component rendering. Experienced in component-based architecture, state management, and cross-browser mobile-first design. Continuously upskilling and quickly adapting to new technologies based on project requirements.

## TECHNICAL SKILLS

**Languages:** JavaScript (ES6+), HTML5, CSS3, SQL, Java, Python

**Frameworks & Libraries:** React.js, Next.js, Bootstrap, Tailwind CSS

**Web Development:** REST APIs, Responsive Design, Component Architecture, Lazy Loading, Code Splitting, Cross-Browser Compatibility

**Tools & Platforms:** Git, GitHub, VS Code, Chrome DevTools, Vercel, Figma

**Methodologies:** Agile, Scrum

## WORK EXPERIENCE

### Junior Front-End Developer

Pratyaksh Interactive Solutions · New Delhi, India

Mar 2025 – Present

- Developed search and reservation modules for a hotel booking platform using **Next.js**, implementing dynamic UI rendering with React Hooks and conditional logic.
- Improved initial page load performance by 30%+ using lazy loading, dynamic imports, and component-level code splitting.
- Integrated REST APIs to fetch real-time hotel availability, pricing data, and booking details within the reservation workflow.
- Built reusable Next.js components to standardize UI patterns and reduce code duplication across booking modules.
- Collaborated during Agile sprints using Git-based version control, coordinating features through code reviews.

### Web Development Intern

Pratyaksh Interactive Solutions · New Delhi, India

Oct 2024 – Mar 2025

- Built foundational **React.js UI components** and responsive layouts using HTML5, CSS3, and Bootstrap.
- Resolved technical debt, layout bugs, and **mobile responsiveness** issues, improving cross-device compatibility.
- Converted complex **Figma wireframes** into pixel-perfect static pages under senior developer guidance.
- Gained hands-on experience with Git version control and collaborative team workflows.

## PROJECTS

---

### Hotel Booking Platform

2024

- Engineered end-to-end search, reservation flow, and real-time availability using **Next.js (App Router)** and REST APIs.
- Architected reusable components with **Next.js Server & Client Components**, optimizing rendering and reducing re-renders.
- Implemented **SSG** and dynamic routing for improved SEO and performance; achieved full mobile responsiveness.
- **Stack:** HTML5, CSS3, JavaScript (ES6+), Next.js, Bootstrap, REST APIs

### Pension Management System

2025

- Built a responsive pension management interface for beneficiary records, eligibility verification, and payment tracking.
- Developed dynamic form validation, record filtering, and status-based UI updates using **JavaScript (ES6)**.
- Designed structured layouts with **Bootstrap grid system** and integrated frontend modules with backend services.
- **Stack:** HTML5, CSS3, JavaScript, Bootstrap

### Personal Portfolio Website

2025

- Built a responsive portfolio achieving a **95+ Google PageSpeed score** via asset optimization, code minification, and lazy loading.
- Implemented on-page SEO with semantic HTML, meta tags, and optimized image assets to improve search visibility.
- Ensured cross-browser compatibility across modern desktop and mobile browsers.

### Courier Management System

2024

- Built a complete front-end parcel tracking dashboard, optimizing usability for staff and customer-facing workflows.
- Integrated frontend with backend APIs for **real-time tracking** updates and full status history display.
- **Stack:** HTML5, CSS3, JavaScript

## EDUCATION

---

### B.Tech in Computer Science and Engineering

Graduated 2024

Bhagwati Institute of Technology & Science, Ghaziabad  
CGPA: 7.7 / 10.0

### Senior Secondary (Class XII)

Completed 2020

D.A.V. Public School, Hapur  
Score: 82%

## CERTIFICATIONS

---

- Complete Web Development Bootcamp – Udemy, 2023
  - Python Programming Fundamentals – Udemy, 2023
  - Course on Computer Concepts (CCC) – NIELIT, 2022
-
